This will confirm our telephone conversation today. During the call, you were kind enough to grant us an extension of time to respond to U.S. EPA's Request for Information relating to the South Dayton Dump received by GM's Moraine Assembly facility during GM's two-week holiday shutdown. Per our discussion, GM's response will be postmarked no later than Friday, February 14, 2003. We appreciate your consideration. Please note that I will be GM's contact for this site and any future correspondence should be sent directly to me. My address, phone, fax and email info. is noted below.
